SNOW ACADEMY

A quick introduction to Swiss Mountain Sports

L'univers de Swiss Mountain Sports

Operating in the Valais region of Switzerland and based in Crans-Montana, Swiss Mountains Sports –SMS- is located in one of the most beautiful areas of the Swiss Alps. SMS specialized in all-year provision of carefully-designed sports and outdoor programs for children, teenagers, adults and corporations. We run highly successful winter ski & snowboard programs as well as bike school, summer overnight camps, language courses, summer sports, and more.

SKI & SNOWBOARD SCHOOL

Founded in 2004, SMS has built up extensive in ski and snowboard instruction and in a wide range of winter outdoor services, as private lessons and group courses, as well as 'out of the slope' programs. SMS is an official ski & snowboard school and member of the 'Swiss Snowsports' ski schools federation. SMS incorporates an official guide office offering the services of professional IFMGA guides, a Ski & Snowboard Academy.

BIKE SCHOOL

In 2006, SMS designed its own Bike School structure for MTB cross-country, Downhill, E-Bike and Road cycling for both group and private coaching training, and tours. A background in road racing in our youth explains our deep commitment to cycling and from those origins we now have extensive experience on dirt as well as tarmac.

SUMMER SPORT SCHOOL

SMS accesses the beauty and assets of the Rhone Alps all year round, from the lakes to the high passes. We run a wide range of programs for adults and have been running many day programs for children since summer 2005, all of these carefully adapted to their skill levels and abilities. These include overnight summer camps as well as day-by-day programs.
